# Introducing The Knowledge Transfer network

## What we do

- KTN is the UK's innovation network.
- KTN connects people. To speed up innovation, solve problems and find markets for new ideas.
- KTN brings together businesses, entrepreneurs, academics and funders to develop new products, processes and services

# The Knowledge Transfer Network

Connecting people to accelerate innovation

## Strategic

Connecting people who wouldn't usually meet to solve innovation challenges.

## Interdisciplinary

Bringing together businesses and researchers from different sectors.

## Entrepreneurial

Linking people with new ideas and technologies to partners and customers.

## Commercial

Introducing innovators to public and private funders and investors.

# Addressing societal challenges and growing new technologies

## 16 Industry communities

Core thematic networks covering key application areas and underpinning technologies

## 20 Cross-sector groups
